

PSHE INTENT

CURRICULUM INTENT

PSHE (Personal, Social, Health and Economic) education is a crucial part of a child's education. It gives children access to critical information about themselves and the many facets of the diverse world around them. At Hucknall National, we endeavour to provide a happy, safe, caring community rooted in Christian values; where everyone is valued and grows to their full potential. We teach in line with the Education Act 2002/Academies Act 2010 which state all schools must provide a balanced and broad-based curriculum which promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, whilst also preparing pupils for the opportunities, responsibilities and experiences of later life

CURRICULUM AIMS

Our three priorities in the teaching of PSHE are:

1. To teach statutory objectives outlined as well as areas we feel are important to our children, families and community.
2. To ensure children are capable of forming good relationships and have skills to recognize if relationships make them feel unsafe or unhappy and how to seek help or advice.
3. To help our children have a positive mindset. Ensure they are equipped with the knowledge of how to stay healthy and safe and be prepared for the opportunities and responsibilities they will face in life.

CURRICULUM CONCEPTS

Relationships

Equality

Living in the wider world

Identity

Health and well-being

“Do not judge me by my successes, judge me by how many times I fell down and got back up again.”

Nelson Mandela
