

A letter just for you

This is a letter just for you, to let you know that just because you cannot come into school right now, we are still here for you at Hucknall National Primary School.

To keep you safe, we are asking you to stay at home for a little bit so that we can keep everyone happy and healthy. You are being really brave and helpful by doing your bit to support keeping our community safe. We are so proud of you for following the rules and understanding that sometimes we have to do difficult things to help everyone around us.

While you are at home, you can do lots more things to be helpful too.

- Be good and follow the rules at home.
- Help around the house when you can.
- Do the work your teacher has set for you to keep your mind healthy.
- Get outside in the fresh air to keep your physically healthy.
- Keep positive and know you will be back in school very soon.

If you are worried or need help at any time, here are a few things you can do:

- Talk to a responsible adult at home or someone you know.
- Talk to your teacher on Google Classroom.
- Phone the NSPCC helpline 0800 800 5000
- Speak to a responsible adult when you are back in school

We can't wait to see you again very soon.

Well done for being a Hucknall Hero and helping everyone in our community.

From Miss Barratt and all the Staff at Hucknall National Primary School
