

Instructions how to write directly on work that is sent (worksheets etc) when using an ipad

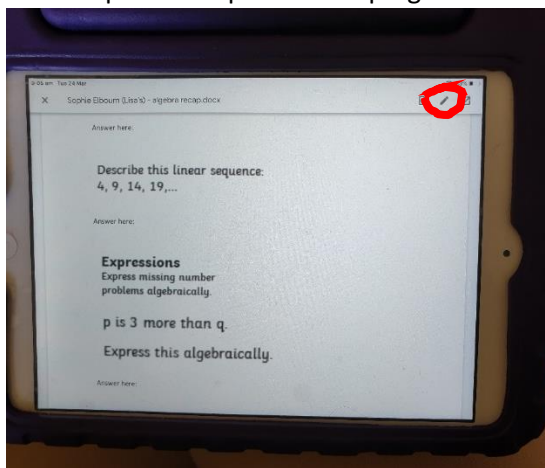

1. Download the Google Classroom ipad app
2. Sign into app using your Google Classroom logon details
3. Open assignment, click 'your work' at the bottom of the screen

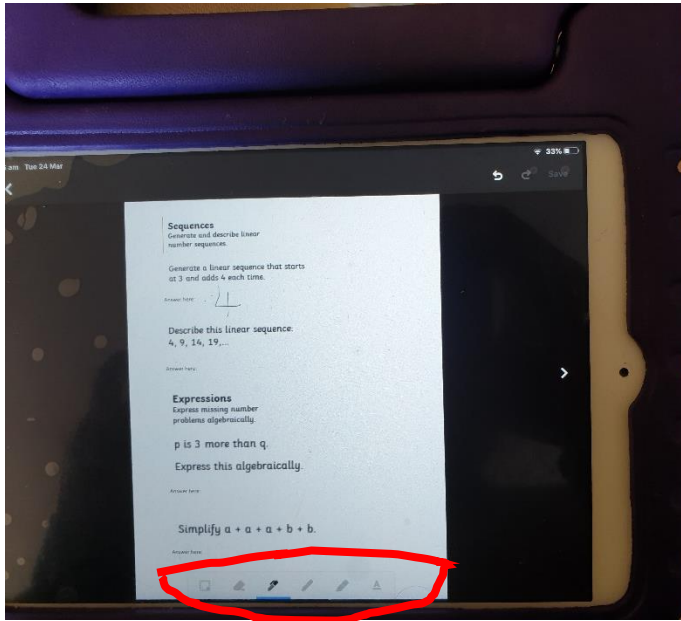

4. Click on the document to open

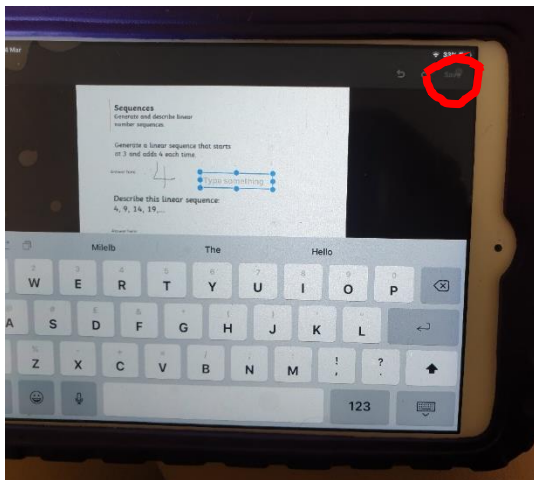

5. Click on picture of pencil on top right hand corner of screen

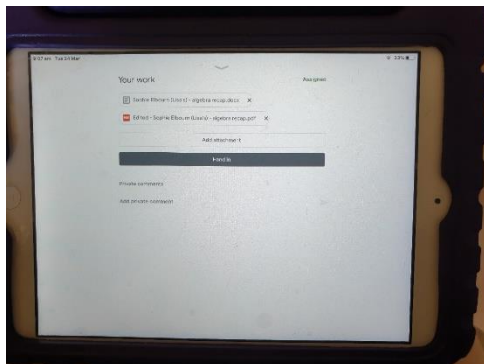

6. Use tools at the bottom of the page to edit the document (pen – you can write using your finger or click the A button to type onto the document)

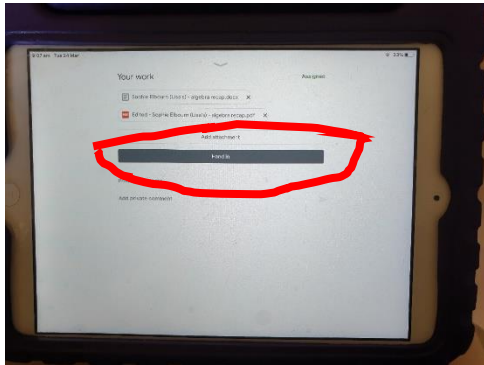

7. Click save in top right hand corner of screen

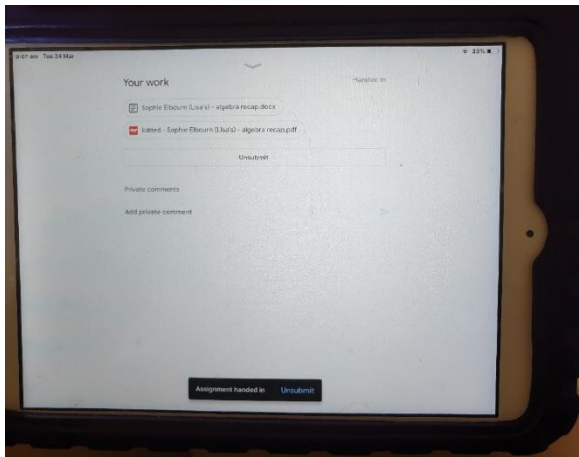

8. Click the cross in top left hand corner of screen to go back to your assignment page

9. Click hand in

You will get this screen:

and your work has been submitted to me!

I hope this has helped!
