

FANS

Friends at
National School

We have allocated £4000 towards the library renovation in school

Upcoming Events:

FANS MEETING

Monday 15th January 2018

A HUGE thank you to everyone who helped us by supporting and attending our recent events. We currently have funds in our account of £4620! £4000 of this is to be allocated to the school library renovations.

We couldn't have raised this money without the help of a very small, but extremely hard working group of helpers (you wonderful, generous people, you!). We really do need more people on board to help us raise money to benefit ALL the children at Hucknall National Primary. More helpers would lessen the amount of work taken on by each individual. At the moment with only a few of us, it can be hard work, but if we could spread the workload a bit further, we would be much more effective, and it would be far more enjoyable for everyone involved.

We make such a difference to our children's school and you can make a difference, too. Please let us know if you can help in any way!

Next Meet Up

The next FANS meeting will be held at school on Monday 15th January. Please come for a cuppa whilst we decide how we're raising money this year. Do you have any suggestions? Come along and join us! We're always looking for new friends to help out with fresh ideas or a pair of hands. All members of the school community are welcome; staff, parents, carers and grandparents we'd love you to come along. Everything we do is to help our children enjoy during their primary school years as much as possible.

If you have questions, or if you'd like to get involved but can't make this meeting, please don't hesitate to get in touch by phone, text or email.
