

FANS

Friends at
National School

WELCOME TO OUR SCHOOL!

WHO ARE FANS?

FANS is a group of parent volunteers who organise fundraising social events for the school community, such as Coffee Mornings and the School Summer Carnival.

The money raised is spent directly on the children to provide extra resources that the school cannot fund: the new playground equipment, musical instruments, the Christmas pantomime, mother's day presents, for both the infants and juniors.

We feel passionate that FANS is an essential part of the school, there are many ways to take part, it is open to everyone and we are a friendly group!

Please indicate your details below if you would like more information at the start of the new school year or leave us a message at the school's front office. There will be a meeting in September to talk about the events for the year ahead and we will be in touch when we need help.
