Christians are inspired by Jesus

Christians are inspired by the example and the stories of Jesus. They find them challenging, just as Jesus' listeners did. It is not easy to love the unlovable! It is not easy to keep loving God all the time, either — people can be easily distracted by things that don't matter as much. An example of this is Christian Aid who's motto is:
We believe in Life before Death support people all around the world especially those in Third World countries.
